Mr. Carson J. Wynne — Calgary
Senior Advisor For Canadian Affairs and Finance

Mr. Wynne, based in Calgary, Alberta, Canada, has extensive transactional and advisory experience in large capital projects in M&A, government infrastructure, utility-scale project finance, sustainable and renewable energy project finance and commercial development and principal investment.
He maintains a wide range of relationships with Canadian and international firms in a number of industrial sectors and has served as an executive in, a principal of, or been a financial and strategic consultant to global firms in the following industries:

- Distributed greenhouse food systems
- Artificial Intelligence/Machine Learning systems
- Mobile payments
- Aerospace digital data communications
- Digital security/encryption technology
- Brewing
- Insurance (life and property & casualty)
- Commercial banking/lending
- Renewable and non-conventional energy infrastructure
- Refinery and downstream petroleum processing
- Charter airline
- Retail

He has run his own diversified investment advisory firm, handling merchant banking, M&A, corporate finance, sovereign debt and structured debt and lease financing, brokerage and advisory services to private sector firms, sovereign governments and Canadian provinces. As a senior partner in a financial services firm, Mr. Wynne acquired and expanded an

internationally branded retail business, raised capital via public equity financings and private debt issues, and became a director of that public company that was later sold to a large North American chain. He has previously been a principal and owner of a licensed investment dealer.

Mr. Wynne holds a Bachelor of Commerce, Finance degree from the University of Alberta, graduating on the Dean’s List for outstanding academic achievement.
